## International Socrates Award Nomination Committee

---

Dr. Hitesh Chheda  
Medical Director  
ASIAN EYE INSTITUTE & LASER CENTRE

Dear Sir,

Let me address you as one of the progressive regional healthcare providers and express high appreciation of the work you do.

I am writing to you today to introduce the joint initiative of The Europe Medical Association (EMA) and Socrates Nomination Committee – International Awards for the medical sphere, the 'Rose of Paracelsus' and Certificate of 'Best medical practice'. I'm honoured to inform you that you have been chosen as one of the prominent representative of regional healthcare.

The Socrates Committee has recommended your institution for the prestigious international award in the healthcare sphere 'Rose of Paracelsus'. This is in recognition of your excellent reputation, safe and effective treatment methods, highly professional medical staff and modern equipment. This award will be granted to the best clinics and practitioners whose professionalism is confirmed, not only by formal standards, but by the trust of clients.

'Rose of Paracelsus' award recipients are also eligible for the EMA accreditation certificate, Best Medical Practice, the symbol of reliability for a medical institution or doctor. You'll also be granted a right to use the EMA logo, award image and certificate on your website and on advertising materials including letterheads and brochures.

The Rose of Paracelsus' Awards will be presented in Lucerne, Switzerland during the Excellence in Quality Summit (3-4 July 2017). Attendees will include prominent regional producers, top-level businessmen, leading healthcare providers and international quality experts.

We are pleased to invite you to participate in the event and to present your clinic's successes and services to EBA members and partners. The medical session will be chaired by Dr. Vincenzo Costigliola, President of European Medical Association (EMA). The Session will be devoted to discussing quality in healthcare, medical travel and how EMA experts can help in attracting of the international patients. Event details are attached.

We would be delighted to see you at the forum and amongst the award ceremony participants, and hope you will find it useful for future success.

Yours sincerely,  
EBA Coordinator
